**TO** : All Jafza companies

**ATTN** : General Manager

**DATE** : Thursday, May 1<sup>st</sup>, 2008

**FROM** : Fatma Salem, Executive Vice President- Operations Dept. Jafza

**SUBJECT** : Data Universal Numbering System (DUNS)

---

Dear Valued Customers,

We are pleased to announce that Jafza is introducing the Dun & Bradstreet DUNS Number (Data Universal Numbering System) for all the member companies to facilitate them for enhancing their business profile and expand their operations globally.

Jafza has partnered with the world renowned Dun & Bradstreet Corporation to generate and assign DUNS Number to all Jafza based companies after necessary validation of their company data. After the allotment of DUNS Number the company data will be uploaded on D&B's global commercial database. More than 100,000 companies rely on D&B to provide the insight they need to help build profitable, quality business relationship with their customers, suppliers and business partners. D&B is the world's leading source of commercial information and insight on businesses.

The D&B's unique nine digit DUNS Number is recognized as global standard for authenticating businesses for online and offline transactions. The DUNS Number is used for vendor pre-qualification by Fortune 500 Companies and various governments and trade associations including the United Nations, European Commission, US Government, International Standards Organisation, Australian Government, Government of Dubai etc.

In the first phase D&B will be approaching you for the data validation. Kindly extend your full support to them to enable us to provide you with this highly important corporate identifier.

For any query please contact Ms. Kobori of D&B on Tel: +971 4 5019616.
