

Subject: Expression of interest to register with EZW for products used by Jafza

Date: 30 November 2009

Dear Valued Customer,

Jafza is intending to look into the possibility of extending an opportunity to Jebel Ali Free Zone Companies that deal in manufacturing and/or supplying materials and products, which can be used by Jafza on their Projects that Jafza develop within the Jebel Ali Free Zone, TechnoPark and Dubai Auto Zone and the material Purchasing.

In this regard you are requested to inform us of your interest to register your company for future opportunities and submit a list of products and their specifications that you supply along with the necessary documents.

Following the review of your submission, we will advise you of the next steps for registration and pre-qualification requirements subject to your products meeting the standard adopted by Jafza.

The above expression of interest is in line with Jafza management initiative to, as much as possible; promote business sales for appropriate companies within the Jebel Ali Free Zone.

However, Jafza for the purpose of this expression of interest shall only be able to proceed further as aforementioned and will inform the Companies to follow up with the prequalification procedures with our Procurement & Contracts Department.

You are required to provide the requested response and submission to and labeled as follows:
