Dubai

The global gateway to Halal industries.

Middle East and Africa (MEA) represents one of the fastest growing F&B markets globally, rising at about 3.8% annually. The regions huge pool of expatriates as well as the rise in the demand for non-native foods, rapid urbanization, are all factors for a surge in this sector. Sitting at the crossroads of Asia, Africa and Europe, Jebel Ali connects businesses to a growing consumer base, making it an attractive hub to serve this Import dependent market.
